OUR SWIMSUIT ISSUE GOES BACK TO THE '70S

PATIO BATTLE, 4 • BOB MOULD BOOK, 8 • TILIA, 18 • MASU, 20 • 'SUPER 8,' 34 • JOHN WATERS, 40

# summer of '70s

This summer, take a trip to the decade of glamour, decadence and disco. The spring/summer 2011 runways paid tribute to the 1970s — and so has this year's swimwear. For Vita.mn's swimsuit issue, we found inspiration in the muses of Yves Saint Laurent, the house of Missoni and the socialites of Studio 54. Whether you're lounging poolside or on a Lake Minnetonka yacht, these '70s-inspired swimwear looks will sail smoothly with the addition of sheer, colorful layers and of course, accessories, accessories, accessories.

Fashion styling by JAHNA PELOQUIN • Photography by CARLOS GONZALEZ • Art direction by LESLIE PLESSER

## Pucci-inspired prints

Take inspiration from the iconic designer with bold prints. Trina Turk bandeau-style bikini **top** (\$90) and **bottom** (\$75) from Everything But Water. Tommy Bahama nylon **coverup** (\$78) from Nani Nalu. Haskell **earrings** (\$6) and Amrita **bangles** (\$7.50-\$18 each) from Opitz Outlet. Cejon polyester print **scarf** worn as a turban (\$20), Michael by Michael Kors chain **belt** (\$38) and CBC parrot **ring** (\$20) from Macy's. Brass-tone **ring** (\$12) from Aldo. KISS **sunglasses** (\$14) from Cliché.
